

DAYLIGHT AT THE END OF THE TUNNEL

ALL THINGS MADE NEW

By Apostle Jacquelyn Fedor

Are we not tired of trying to rule ourselves through the world's knowledge? Are we not fed up with wars, disease, poverty and death? From previous blasts we have come to understand the basis of man's intellect is information gathered from a knowledge taught to man by God's arch-enemy. This knowledge has over the last 7,000 years culminated into the world's systems we are governed by today. So in actuality we don't govern ourselves, we are governed through a knowledge tainted and contrived from the desires and will of leaders from the dark side of the supernatural, Satan being their leader! Scripture says of Satan, he comes to kill, steal and destroy.

In **Isaiah 14:13-14** God reveals the true intent of Satan's heart.

13 For you have said in your heart: 'I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation on the farthest sides of the north (or govern God's people through their leaders);

14 I will ascend above the heights of the clouds, I will be like the Most High.'

So all of the knowledge the world so cherishes has been taught to man by the enemy to selfishly promote his own agendas. Those that will not give up the world's knowledge for the wisdom of God will unfortunately end up serving the wrong master. Scripture tells us, let a man become a fool that he may become wise. You see, God's ways are not our ways, and His thoughts are not ours so those that think and walk according to His knowledge appear foolish to the world.

Ezekiel 28:14 shows us God actually intended for Lucifer or Satan to be a guarding angel over His priesthood for their protection that they could in safety guide God's people through His wisdom.

Ezekiel 28:14

14 “You were the anointed cherub who covers; I established you; you were on the holy mountain of God (where God rules from through His priesthood); you walked back and forth in the midst of fiery stones.

It is from the heavenly places, or higher realm, that man's victory and restoration manifests or if they are tapped into the dark side of this realm, they experience defeat. It is our minds that connect us and our choice of knowledge that directs us.

God's higher plan and law are always operating a level above the physical realm of this world that Satan rules. They were set in place, perfectly calculated and formulated by the Word of God. When we thwart God's plan or break His law it not only impacts our relationship with God, but we are out of order with the whole universe as the entire universe functions according to this plan and law. Are we not a part of the universe? As there are systems that dictate how life is conducted in the world, banking, education, religion, government, so the plan of God reveals a much higher degree of perfection in the systems of God. Believe me, this world does not reflect Kingdom order in any way! Which we choose to live by is entirely up to us. However, be aware, we will always be out of alignment with God's systems when our choice is for the world. No matter which we choose though, it does not change the fact that we are still a part of the whole. In other words, if we defect personally the result is not limited to us or those in our immediate environment, but our actions actually affect the galaxy and indeed the whole universe. It can only function optimally or at its peak when all creation is working properly, in harmony and in order as originally planned. We therefore all share a personal responsibility, our lives are no longer a private matter.

Picture a bus load of people, the steering wheel comes off. Is it just the driver's problem? Of course not! In the same way, when Adam and Eve chose the enemy's knowledge and plan over that of God's they disconnected

themselves from the fountainhead of knowledge. Their descendants, influenced by Satan, unwisely allowed his species, angels, to cross breed with them. Their sin in turn altered the physical makeup of their offspring as they genetically were not compatible. Even their natures were altered and their evil ways affected the whole earth and all creation on it. Through the world's tainted thinking, derived from this knowledge, man has crossbred the animals, trees, flowers, your name it, causing more of an imbalance in the universe. Remember, in Genesis God created all creatures after their own kind.

Genesis 1:24

24 Then God said, “Let the earth bring forth the living creature according to its kind: cattle and creeping thing and beast of the earth, each according to its kind”; and it was so.

I Corinthians 15:38-40 explains further,

38 But God gives it a body as He pleases, and to each seed its own body.

39 All flesh is not the same flesh, but there is one kind of flesh of men, another flesh of animals, another of fish, and another of birds.

40 There are also celestial bodies (angels) and terrestrial bodies (man); but the glory of the celestial is one, and the glory of the terrestrial is another (should not have been crossed).

This imbalance will have to be rectified in order to bring the original beauty, peace and perfect harmony our universe once enjoyed back into being. Realigning ourselves with God's law and renewing our minds with God's knowledge will result in the restoration of His will on our planet. The atrocities of this world are not our Creator's will for us. It is not in His plan for our bodies to be sick, for us to endure pain and sorrow or death. The decline in the world's culture, disrespect for parents, those in authority, marriage mates, immoral dress, tattoos and piercings to name a few are not of God either and are against His law! Behind our failing society is the enemy. You can see why it is of uppermost importance to Satan that mankind continues to break the law of God. If he is to win his battle for supremacy on earth it is necessary for him to keep man in bondage to him and out of order with the Lord.

Nothing has really changed in his tactics. Was this not exactly what he accomplished through Adam and Eve? He caused them to disobey God's law hoping to abort His plan for man did he not, thus causing them to fall from the laws of the higher realm where the miracles and promises are. Now they were subject to the physical law of earth. Here on earth, now his domain, they would experience corruption, mortality and be completely out of harmony with all that is God's! No longer a mirror image of God on the earth as they

were created to be, they would instead reflect the nature and evil works of the prince of this world. Instead of having dominion over all on earth, caring for God's creation as they were intended to do, their disobedience brought a curse on everything, placing Satan in control. Man has become unfaithful to God, unfaithful to humanity, and yes, even unfaithful to himself personally.

Did you know for instance, sexual immorality is not just a sin, it is a sin against the offenders' bodies. How much immorality of this nature do we see today?

I Corinthians 6:18 explains,

18 Flee sexual immorality. Every sin that a man does is outside the body, but he who commits sexual immorality sins against his own body.

With this scripture in mind think about the horrible curse mankind brought on himself by being sexually permissive, especially with a completely different species! Look at the price we have paid over the years for crossing with angels and at the same time there was no way our bodies could ever be restored! There could be no remedy without first being made aware of the problem, second repenting for it and third being born again.

Genesis 6:2, 5-6 will open our eyes to the problem.

2 that the sons of God (angels) saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose (took the one they wanted).

5 Then the Lord saw that the wickedness of man was great in the earth (we gave in to them), and that every intent of the thoughts of his heart was only evil continually.

6 And the Lord was sorry that He had made man on the earth, and He was grieved in His heart (grieved that He created them, grieved at their unfaithfulness, grieved at what would become of them).

Down Syndrome, all kinds of hereditary diseases or genetic disorders were caused by abnormalities in our genome, all the direct result of our disobedience. The characteristic cruelty and evil traits of our ancestors have been handed down over the years to us as well and even intensified through our own lawlessness. Lust of the eye, lust of the flesh and pride of life are the core of today's lifestyle. Now here is a real eye-opener, altered man has been claimed by Satan as his seed!

Genesis 3:15

15 And I will put enmity between you and the woman, and between your seed and her Seed; He shall bruise your head, and you shall bruise His heel.”

Satan will use the altered race to come against God's new species.

As stated earlier, all must be rectified for order to be restored and this will happen as it is God's plan and He is sovereign. A new heaven will be established without rebellious angels to ruin the harmony and a new earth birthed with all renewed that has been altered. Order will once again return to earth bringing it back into alignment with the universe. God's knowledge will cover the earth as water covers the sea and the enemy will be removed from God's mountain in fulfillment of Isaiah 11:6-9.

Isaiah 11:6-9

6 “The wolf also shall dwell with the lamb, the leopard shall lie down with the young goat, the calf and the young lion and the fatling together; and a little child shall lead them.

7 The cow and the bear shall graze; their young ones shall lie down together; and the lion shall eat straw like the ox.

8 The nursing child shall play by the cobra's hole, and the weaned child shall put his hand in the viper's den.

9 They shall not hurt nor destroy in all My holy mountain, (what brings this change about?) for the earth shall be full of the knowledge of the Lord as the waters cover the sea.

All creation stands waiting for the children of God to appear, waiting with anticipation to be released from bondage to the enemy, to be set free as in the beginning to do their part in giving birth to the new heaven and new earth.

Romans 8:19-23

19 For the earnest expectation of the creation eagerly waits for the revealing of the sons of God (the new species).

20 For the creation was subjected to futility, not willingly, but because of Him who subjected it in hope;

21 because the creation itself also will be delivered from the bondage of corruption into the glorious liberty of the children of God (no longer bound to Satan).

22 For we know that the whole creation groans and labors with birth pangs together until now (waiting to birth God's victory, a new earth).

23 Not only that, but we also who have the firstfruits of the Spirit, even we ourselves groan within ourselves, eagerly waiting for the adoption, the redemption of our body.

After Pentecost the early Christian church, the firstfruits of the Spirit, started preparing for, looking for, hoping for this age. Restoration had begun, but mankind had a long way to go for complete reversal.

Seven thousand years have elapsed since the creation and subsequent fall of man. We are now entering into a new era. If a thousand years are as a day to God then we are in the dawning of the eighth day. This is exciting because numbers in the Bible have symbolic meaning and eight is the number of new beginnings! Also, the feast of Rosh Hashanah or feast of Trumpets is very near. It is known also as the feast of Ingathering and the Head of Days or in others words, New Year. It is at the same time taught by the early sages that mankind was created on this feast as well. Wow! What is this all saying to us? Is this the year of the new species of man? Is there going to be a sounding of shofars or trumpets in the upper realm announcing the harvesting or ingathering of them? Could they be the firstlings, the firstfruits, born through God's end time knowledge, through the Word? Could they be the ones that lead all creation to God's holy mountain for reversal, renewal, bringing back the original order? Something to think about! One final thought before we close, it has been two thousand plus years since the cross, or if a day is as a thousand years, two days and the dawning of the third. Remembering Genesis 3:15 (Satan's seed against God's seed), let us read John 2:19-21.

John 2:19-21

19 Jesus answered and said to them, “Destroy this temple, and in three days I will raise it up.”

20 Then the Jews said, “It has taken forty-six years to build this temple, and

will You raise it up in three days?”

21 But He was speaking of the temple of His body.

Now look at **Ephesians 2:21-22.**

21 in whom the whole building, being fitted together, grows into a holy temple in the Lord,

22 in whom you also are being built together for a dwelling place of God in the Spirit.

Could Jesus be coming to earth through His body, raised on the third day to harvest mankind for Himself? Could He be choosing living stones, making alterations of His own to build this temple not made by human hands? A Temple or tabernacle for Him to dwell in on God's holy mountain? This would mean He would be the King of God's holy mountain to the defeat of Satan's claim in Isaiah 14:13 thus allowing the Seed of women to bruise the head of the Serpent, Satan the old Dragon as prophesied by God Himself in Genesis 3:15!!

Revelation 21:3-5

3 And I heard a loud voice from heaven saying, “Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people.

God Himself will be with them and be their God.

4 And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away.”

5 Then He who sat on the throne said, “Behold, I make all things new.” And He said to me, “Write, for these words are true and faithful.”
