

DO YOU WANT TO SEE RESTORATION?

By Jacquelyn Fedor

As a sequel to the previous blast, I would like to review some of its contents and then apply the truth found there to our everyday life. In the preceding blast it opened at a time that old Israel was very close to entering the Promised Land, but they were tired, disgruntled, dissatisfied with the living conditions and complaining about their leadership, even angry at God!

Numbers 21:5-6

5 And the people spoke against God and against Moses: “Why have you brought us up out of Egypt to die in the wilderness? For there is no food and no water, and our soul loathes this worthless bread.” (Food supplied by heaven, symbolic of Truth.)

6 So the Lord sent fiery serpents among the people, and they bit the people; and many of the people of Israel died.

How many today feel we are very close to the end of this world as we know it and that the Kingdom, our promised land is almost ready to manifest? If so, then you might want to read all of Numbers 21 where you will see a similar scenario. Is your leadership leading you up a narrow bumpy path, hard to travel on and is God perhaps moving slower than you think He should? Then

you see, that attitude is very similar to old Israel! What I would like for us to see, God sent poisonous snakes in to His own people, the very ones He had protected and looked after all that time in the wilderness, to bite them and many died! You see, the snakes were sent to remind them of that clever, crafty and very dangerous serpent in the garden. It was he that actually brought all this chaos and discomfort to them, the same one that beguiled Eve into eating the fruit of his knowledge and wisdom. He wanted them to see they wouldn't have been making that walk in the first place if it wasn't because of that serpent, the devil! God therefore had Moses make a brass image of the serpent and when the people were bitten, if they looked at the correct source of the problem, the serpent, Lucifer, the devil, whatever you know him as, they were healed. Same God, same source and taproot of our problems today! So, who do we blame? Can we better understand why the world is in the shape it is in? When we look at the wrong cause of our problems do even worse problems arise? Not poisonous snakes, but same principle.

For those of you that have read the previous blast you now know the serpent was not an actual serpent, he was a cherub, a type of angel. His thinking, his actions, his clever ways were certainly serpent-like, but he was not a snake! We can see him plainly in Ezekiel 28. There we are told God actually created him absolutely perfect and gifted him to guard and protect the earth and all

on it including you and me! Carried away with his own beauty, wisdom and power, pride convinced him he could challenge God for supremacy! Can you believe he actually challenged his own Creator?

He, through iniquity, became perfectly evil. With the huge gifting he was given to cover all of earth, everything this rebel touched lost its perfection, its immortality, because, with sin came death! His immense anointing to draw creation to him was no longer holy, so everything it touched from the garden on would still draw mankind to follow him, believe in him but they would be drawn to evil. The world he created through man therefore has this same wrong anointing on all of it as well. On top of that, through his twisted thinking the infrastructures of the world's systems were also defiled and unsound. Is this our fault? Is it Eve's fault? No! Who coerced her into disobeying God?

It was the brazen serpent, the anointed cherub, that old dragon.

Revelation 12:9

9 So the **great dragon** was **cast out**, that **serpent of old**, called the **Devil and Satan**, **who deceives the whole world**; he was cast to the earth, and his angels were cast out with him.

See why God tells us to separate from the world, and guard against being conformed to any part of it? Remember that evil anointing? You can now also understand why not to touch or enjoy the world's pleasures or even be interested in them or its politics, religions, education, any part of it! Wrong anointing!! Wrong knowledge. It all ends up in failure. Unfortunately this defective thinking of Satan is the fundamental database of man's intellect, with the self-serving plans of Satan intertwined and behind it all!

Romans 12:2

2 And do not be conformed to this world, but be transformed by the renewing of your mind (create for yourself a database of truth), that you may prove what is that good and acceptable and perfect will of God (we so badly need to return to our original perfection).

I John 2:15

15 Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him.

In God's mind and plan all things were originally created perfect and each creature was to be manifested or brought into being in its own perfect time. How wonderful it was for that early creation, the ones birthed in the garden era! Peace, happiness, joy and perfection permeated the atmosphere of the

garden! There were no problems as all was perfect! The only rule they had to follow, their only restriction was don't taste or eat of the tree of good and evil. Adam and Eve were created beautiful trees of righteousness to populate earth, they sinned and became a part of the tree of good and evil instead! Side note, God refers to other living beings, or even people as trees many times in the Bible, an example is found in Isaiah 61:3.

Isaiah 61:3

3 To console **those who mourn** (people) in Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they (again, people) may be called **trees of righteousness**, the planting of the Lord, that He may be glorified.”

How terrible it must have been to be scheduled in God's plan to be birthed at the time when the angels revolted against God! Satan caused them to marry mankind in attempt to alter humanity, make them his and superior to God's creation of Adam and Eve! Through this crossing of species however the once perfect chemistry of our bodies was now out of sync, and birth defects, sickness and disease was the awful fruit of that cross. Is it our fault we are incapacitated, sick, mentally or physically? No way, the anointed cherub is totally at fault! God's original plan for His creation as stated before was pure perfection! How many people before the flood saw the creature behind all

their problems I don't know, maybe none, but scripture tells us God was sorry He even created man and in His fury flooded the whole earth, killing all of humanity with the exception of a family of 8 (note the number). Enoch tells us the angels had relations with the animals also, so God had Noah gather 2 of each kind to start over again. He hates crossed species, not His original creation and therefore perverted and inferior.

Throughout the entire history of man, this world created by Satan has become increasingly even more and more altered and evil. Have you noticed how many plants, animals etc have become crossed again? It's Satan through man trying to make them his.

Now here we are today, the ones predestined for this exact time, the eighth day! In the 7000 years from the creation and fall of Adam to the year 2000, Satan has pretty much had a free rein to do all he could to prove his superiority over God, make the earth his, and cause all on it to be changed and subordinate to him. But ... in the dawning of the year 2000 things began to change. Let me explain. You see, to God a thousand years is as a day, so down through the years from man's creation was actually only a week in the supernatural, and the year 2001 was the beginning of the eighth day! Remember the number eight stands for new beginnings and truly much has happened since then!

Eight is also the number of circumcision as well. Therefore the eighth day is a day of cutting off, separating, a severing of God's people from the world, its systems and people that love it. In fact, the eighth day feast of God, Sh'mini Atzeret, means a time when God has held back ones from the Feast of Tabernacles that He has chosen to perfect. These are the living stones He is shaping and using to rebuild the house of David.

Acts 15:16-17

16 'After this I will **return** and will **rebuild the tabernacle of David**, which has fallen down; I will **rebuild its ruins**, and I will **set it up**;

Here is why,

17 So that **the rest of mankind** may **seek the Lord** (the house of David is raised to help humanity make it to restoration), **even all the Gentiles** (or heathens) **who are called by My name**, says the **Lord** who **does all these things.**'

You see, a new species has come on the scene and a whole new era has already begun! Very few of the world's churches have even noticed! As the church previously moved from Judaism to Christianity at the time of Christ, so today it has moved from Christianity to the eighth day church! A deeper insight on scripture has been released changing perspectives and the eighth

day insight on truth is rapidly shaping God's people back into His image. Along with the appearance of His new species, a deeper understanding has been revealed concerning God's holy mountain found in Hebrews 12 and His city of Revelation 21:21. Truly a new day has begun! With the correct understanding of the brazen serpent we also are seeing humanity more in line with how Father sees them. We see now, climate warming, sickness and disease, wars, the world's degenerate evil society, murder, anger, broken relationships on and on, are all the fault of Satan, not God's people that He originally intended to be born perfect. Satan's twisted knowledge has instead spawned a people with twisted perspectives and faulty intellect. Sadly it is these that teach in the world's schools and colleges and his perverted knowledge is their database. These are today's doctors, lawyers, police force etc. Without knowing it much of humanity, including us, have been for the most part innocent puppets of Satan. Did we mean to be, absolutely not! Did God mean it this way? No way!

Do you see how disastrous things would be if Father didn't have a predestined plan for all things to be restored! This is also the reason for making so much out of the story of the brazen serpent portion of scripture. If we can't see the Devil and his part in our lives we will never fully see, understand or be benefactors of the sacrifice of Yeshua! You see, everything Satan has ruined, Christ restored through His sinless early walk and on the

cross, everything! Mind boggling, isn't it! Satan has all these years managed to conceal the deeper meaning and full extent of Christ's work on the cross and has therefore kept humanity beholden to him and his systems. Many look at restoration like a pie in the sky story, not real, not soon at least, or too good to be true. Restoration is very real my friends, and a predestined promise of God!

Romans 8:19-21

19 For the earnest expectation of the creation eagerly waits for the revealing of the sons of God (the new species).

20 For the creation was subjected to futility, not willingly, but because of Him who subjected it in hope (that man would understand he can't make it without God, John 15:5);

21 because the creation itself also will be delivered from the bondage of corruption (the result of the original sin) into the glorious liberty of the children of God. (Restoration, Jubilee!)

Acts 3:21

21 whom heaven must receive until the times of restoration of all things (see the promise?), which God has spoken by the mouth of all His holy prophets since the world (not the earth, but Satan's world) began. (What a wonderful scripture to assure those that doubt restoration! It is real!)

Daniel 7:27

27 Then the **kingdom and dominion and the greatness of the kingdoms** under the **whole heaven**, shall be **given to the people, the saints of the Most High**. (Is this not restoration?) His **kingdom** is an **everlasting kingdom**, and all **dominions shall serve and obey Him**.’ (His will be done.)

I Corinthians 15:54-55

54 So **when this corruptible has put on incorruption**, and **this mortal has put on immortality**, **then shall be brought to pass the saying that is written:**
“**Death is swallowed up in victory**.”

55 “O Death, where is your sting? O Hades, where is your victory?”
(Restoration)

I Peter 1:23 shows us who these restored ones are.

23 **having been born again**, **not of corruptible seed but incorruptible**, **through the word of God** which lives and abides forever, (So if you are born again, put on your robes of incorruption!)

I Timothy 1:17 (this is our daddy!)

17 Now **to the King eternal, immortal, invisible**, to God who alone is wise, be honor and glory forever and ever. Amen. (So if you are born again, put on

your robes of immortality)

If you that are born again have put your robes on let us read I Corinthians 15:51-54 for the rest of the story.

I Corinthians 15:51-54

51 Behold, I tell you a mystery: We shall not all sleep (or die), but we shall all be changed—

52 in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead (in Christ) will be raised incorruptible, and we shall be changed.

53 For (remember) this corruptible must put on incorruption, and this mortal must put on immortality.

54 So when this corruptible has put on incorruption, and this mortal has put on immortality, then shall be brought to pass the saying that is written: “Death is swallowed up in victory.”

Revelation 21:1-4

1 Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away. Also there was no more sea (sea of Adamic humanity).

2 Then I, John, saw the holy city, New Jerusalem, coming down out of

heaven from God, prepared as a bride adorned for her husband.

3 And I heard a loud voice from heaven saying, “Behold, the **tabernacle of God** is **with men**, and **He** will **dwell with them**, and **they shall be His people**. **God Himself** will **be with them** and **be their God**.

4 And **God will wipe away every tear from their eyes**; there shall be **no more death**, nor **sorrow**, nor **crying**. There **shall be no more pain**, for **the former things** have **passed away**.” (Is this not total restoration?)

Galatians 3:27,29 (who will experience this)

27 For as **many of you as were baptized into Christ** have **put on Christ**.

29 And **if you are Christ's**, **then you are Abraham's seed**, and **heirs according to the promise**. (The promise of complete restoration!)

Galatians 4:1 shows us why this hasn't happened as yet.

1 **Now I say that the heir, as long as he is a child, does not differ at all from a slave, though he is master of all,**

So the bottom line is, if we want these beautiful promises to come to fruition in us then we must manifest as a child of God, to think like Father thinks, and see things without the shadow of the brazen serpent like a veil of deception over us! We must see Satan as he is, study his nature so we can be spiritually sensitive and recognize him trying to work through us! His evil presence can

actually be felt, anger, frustration, depression etc., are the fruit of his nature and easily detected in our everyday lives as most of his attack is against our flesh.

If we can see ourselves in **Galatians 5:19-21**, beware, the brazen serpent has his eye on you.

19 Now the works of the flesh are **evident**, which are: adultery, fornication, uncleanness, lewdness,

20 idolatry, sorcery, hatred, contentions, jealousies, outbursts of wrath, selfish ambitions, dissensions, heresies,

21 envy, murders, drunkenness, revelries, and the like; of which I tell you beforehand, just as I also told you in time past, that those who practice such things will not inherit the kingdom of God. (See why Satan causes this? He wants our inheritance!)

None of us are exempt, we are all a part of God's creation that Satan made the statement "he would rule"! But here is a fact, he who is evil cannot rule the holy!

Before I close this message, let me reiterate a few points so we have perfect clarity concerning the brazen serpent, the anointed cherub, Satan. Number one, Satan knew God created man in His image so we have the ability to

create. He does not, he is an angel. He therefore knew to create a world he could control he would need man to do it. That's why he beguiled Eve to choose him over Christ, to gain control of man and his offspring. Number two, to be like God, the reason for his challenge, man would have to in any other way be changed to his image. He successfully crossed our species with angels who were in his image yet did not lose the creative ability in man. Remember the angels that man was crossed with were as evil and rebellious as Satan himself. So great, now we were born with that nature, or at least we are predisposed to easily pick up his traits and see things from his perspective. Also, as he ushered death into mankind through causing Eve to sin, so the angels that married into mankind through being incompatible as a species, brought sickness, disease, causing much pain and hardship for man as our earthly bodies were affected.

Let us close with the best part, number three. Everything God created was in His original plan perfect, no defects in anything! Christ through the cross made it possible for man to be born over again and for all the entire creation to be restored as His new species comes into view. He overcame Satan's world, He destroyed the works Satan did through us, and put the enemy and all his unholy army to open shame. God will take care of Satan and the evil spirits that plague us today will be ashes under our feet according to Malachi 4:3. For restoration to become a reality and not just a promise, look at the

pole as the source of our problems and then with love and appreciation, look at the cross and the fullness of the victory of Yeshua!
