

ROSH HASHANAH

ATONEMENT

TABERNACLES

JUDGMENT DAY

By Apostle Jacquelyn Fedor

The real truth that is able to unravel the false doctrine woven by the world's church masking God's plan for restoration is served by the Lord at His feasts. Without this knowledge we are destined to fail. Only God holds the key to eternity, only the Lord can open the door to the restoration of creation. He alone can restore earth back to its original perfection and bring peace, order and harmony to the universe, perhaps multiverse! He knows it intimately as only the one who created it can. Neither man nor angels have the knowledge or creative power to fix, change or rearrange any living thing back to perfection, only the Lord, the Tree of Life! Do we truly understand how much Adam and Eve gave up when they chose the wisdom and warped knowledge of the tree of good and evil, a mere angel! They chose to not listen to the Creator of all things and instead gave heed to the wisdom of a created being! That foolish decision gave birth to this degenerate and failing world, its unstable systems and the wicked society we live in today. Seeking the knowledge of God must therefore become our first and foremost goal in life, we must feast at the Lord's meals if we desire to be heirs of the Kingdom, recipients of God's promises and among the restored.

Because of God's great love for His creation He prepared yearly feasts to enlighten man bringing about reversal from the damage that resulted from the enemy's influence and defective knowledge. For instance, for our peace, rest and relaxation God invited us to the weekly feast of Sabbath. Ironically this weekly feast is for the most part experienced by the church on the wrong day! So this season or time set aside by God for our rest and restoration is messed up by man and useless, not at all what He intended it to be. By the way, Sabbath itself is symbolic of a much greater rest. This rest was entered into by God Himself after He created all things. It too is there waiting for man to enter, but has been approached by very few as man is required to give up their own works, plans and agendas and walk in His will to qualify. Here again, most of the world's churches do not have a clue what the rest of God really is, nor do they understand further victory for mankind can only be found within that rest as taught at God's feasts.

Speaking of feasts, this is the exciting season of the feasts of Rosh Hashanah, Atonement and Tabernacles. There is so much to learn and experience at these wonderful feasts! To begin with, did you know as passed down through the ages that 7,000 plus years ago, about this time of year Adam and Eve were originally created? The name Rosh Hashanah actually means Head of Days and indeed it was the first day for mankind! Even though Adam and

Eve were originally created spirits that had souls like their Father mirroring His image, planet earth was to be their home, their inheritance so they would need bodies to enable them to live and function here. Like an astronaut needs a spacesuit to enable them to exist in space, man needs an earth suit to function here on earth. Made from the earth, their bodies were created to be sustained by earth itself for eternity. Instructions for maintaining the land were therefore taught and if followed would have forever supplied the resources mankind needed to exist in a paradisaical abundance. The degradation of earth, and global warming the world's scientists are talking about today would not be a problem had we obeyed God's law for preserving the land! God even provided the first perfect garden for them, told them what to eat and instructed them to subdue the rest of the planet for their descendants. Rules were set to rest the land etc. Sadly it has taken all this time for man to see their folly. Now they understand where a plant based diet reduces carbon emissions and food waste. They now admit the way we eat and farm contributes to the loss of natural ecosystems. The Adamic race has failed both man, animals and indeed the whole earth! But, hang on! There is a feast coming with some answers! The feast of Rosh Hashanah!

Interestingly there is a scenario occurring today that is much like the creation of Adam and Eve. This time the new creatures are born through baptism however, thus experiencing the Feast of Passover. By ingesting the end time

knowledge served at the remaining feasts they begin to metamorphose into a new species of man! A new generation was therefore created and guess what, it is very close to Rosh Hashanah again!

Psalm 102:18 prophesies this future appearing of this new species.

18 This will be written for the **generation to come**, that **a people yet to be created** may praise the Lord (this prophecy is being fulfilled daily).

Why and how did Adam's descendants fail so badly that man must start over making a new generation necessary? As we see in Genesis 3, Adam's race was coerced into accepting the enemy's knowledge and at chapter 6 persuaded to crossbreed with angels producing a half-breed race of man and angel. Now we understand why mankind must be born again to be legal heirs of God's Kingdom! No longer in the image of God Adam's race has been molded into citizens of the kingdom of darkness! So Adam could never be harvested or circumcised from the world to God's Kingdom. See the need to experience the feast of Passover?

Romans 6:4 describes the experience.

4 Therefore we were **buried with Him through baptism into death** (we die to our Adamic self), that just as **Christ** was **raised from the dead** by the glory of the **Father**, even so we also should walk in newness of life (as new

creatures we Passover from death to life through the Blood of the Lamb).

Through the resurrection from the dead in baptism man's spirit is revived thus experiencing the feast of First fruits.

I Corinthians 15:49

49 And as we have borne the image of the man of dust (Adam and all he brought on himself), we shall also bear the image of the heavenly Man (Jesus).

How does this happen? As we eat the bread at communion our bodies are on the way to becoming like Christ's physical body. He had scars, holes in His hands and feet, evidence of the abuse of this world, but it was eternal. As we drink of the wine our blood is cleansed of the angels' blood and we are genetically slowly returning to His image and being shaped to His kind.

John 6:53-58

53 Then Jesus said to them, “Most assuredly, I say to you, unless you eat the flesh of the Son of Man and drink His blood, you have no life in you.

54 Whoever eats My flesh and drinks My blood has eternal life, and I will raise him up at the last day.

55 For My flesh is food indeed, and My blood is drink indeed.

56 He who eats My flesh and drinks My blood abides in Me, and I in him.

57 As the living Father sent Me, and I live because of the Father, so he who feeds on Me (the Tree of Life) will live because of Me.

58 This is the bread which came down from heaven—not as your fathers ate the manna, and are dead (they were still of Adam). He who eats this bread will live forever (the new species).”

Romans 8:29

29 For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn among many brethren.

Now comes another exciting phase of the new creature's growth! After the feast of Passover, Unleavened Bread and First Fruits, the Feast of Pentecost is offered. At this feast man's newly awakened spirit is gifted with the original abilities Father intended in the beginning for mankind! It is also reseeded with the fruit of the Holy Spirit to give it back the nature of God as well! Even a pure language is restored for man's newly awakened spirit to speak to the Lord as the feast of Pentecost is experienced!

Zephaniah 3:9 prophesied this.

“For then I will restore to the peoples a pure language, that they all may call on the name of the Lord, To serve Him with one accord.”

Acts 2:4 is the fulfillment of the Feast of Pentecost.

4 And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance. (Please do not be one of those that say speaking in tongues is demonic as this is blasphemy of the Holy Spirit!)

So onward we go to the next feast, the Feast of Rosh Hashanah!

Understanding a thousand years is but a day to God we are now into the beginning of the eighth day since creation and once again the earth harvests a new species of man circumcised from the world and appearing at Rosh Hashanah! How exciting! Incidentally this harvest of the new species reveals another name for this feast. It is also known as the Feast of Ingathering! Rosh Hashanah is also called the feast of Trumpets or Day of Sounding. It is at this feast the shofars or ram's horns blow long and loud symbolic of the voice of God. He is revealing end time knowledge and sounding a prophetic warning to the nations, their culture and church, exposing the lawlessness and hypocrisy as the ram's horn blows loud and clear! Also, as each child of God receives their call, meaning who God has called them to be in the body of Christ through the prophetic word, they are personally experiencing the Feast of Trumpets. My, there is so much information to be gleaned from this feast! Remember, Rosh Hashanah is also called the Day of Judgment! Because

these trumpets or shofars blow mankind hopefully begins on a much larger scale to understand the need for repentance both as humanity and as individuals. They begin to search their hearts and minds for all the ways they themselves have contributed to the chaotic disorder the world is in today. To accommodate this need to repent there is what is called “the ten days of awe” that starts the second day of Rosh Hashanah. Ten being the number of completion, it is the perfect time to repent for the whole of mankind and all of creation. The adverse effect man has had on creation and this planet is huge! For instance, mankind calling themselves Christians, and using the Lord's name to label themselves has had a hand in altering creation to the degree there is little left after its own kind as originally created! They have actually aided Satan in his plan to be as god! You see, he cannot legally claim anything he hasn't sufficiently changed and fashioned to his specifications. Mankind has even allowed Satan to modify them by the crossing of angels resulting in a race that genetically carry the genes of two different species! Science has noted, when you cross species they have the traits and characteristics of both species. After man was altered, he became like his mentor and aided in the modification of plants, fruits, vegetables, animals, everything they could get their hands on to modify!

Genesis 1:11-12 shows us just how lawless this all has been and certainly not of God!

11 Then **God** said, “Let the earth bring forth grass, the herb that yields seed, and the fruit tree that yields fruit according to its kind, whose seed is in itself, on the earth”; and it was so.

12 And the earth brought forth grass, the herb that yields seed according to its kind, and the tree that yields fruit, whose seed is in itself according to its kind. And God saw that it was good (but man crossed, grafted, modified God's creation).

Genesis 1:21

21 So God created great sea creatures and every living thing that moves, with which the waters abounded, according to their kind, and every winged bird according to its kind. And God saw that it was good.

Genesis 1:25-27

25 And God made the beast of the earth according to its kind, cattle according to its kind, and everything that creeps on the earth according to its kind. And God saw that it was good.

26 Then God said, “Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.”

27 So God created man in His own image (not the same kind of any of the

above); in the image of God He created him; male and female He created them (we were little gods, His children, until ... we were crossed with another species).

Psalm 82:6-7 reveals this truth.

6 I said, “You are gods, and all of you are children of the Most High.

7 But you shall die like men (Adam's flesh and blood altered by another species), and fall like one of the princes (just like the enemy planned).”

So man and most of all he was given dominion over are genetically changed now and no longer God's. How sad. Gives us much to repent for!

And should man not beg God's forgiveness for claiming to be His church yet participating in trafficking human beings for sex and condoning acts God calls abominable, repulsive as well?

I Corinthians 5:11 says plainly,

11 But now I have written to you not to keep company with anyone named a brother, who is sexually immoral, or covetous, or an idolater, or a reviler, or a drunkard, or an extortioner—not even to eat with such a person.

Man not only eats with these ones, they sleep with them, call them friend and

sadly attend church with them! Can you see why repentance is so, so necessary! Not only is it necessary for our salvation, but absolutely required by God before reversal and Jubilee's restoration can possibly take place!! The murder, extortion, sodomy, lies, false doctrines covered over by the church and accepted as a part of today's society must be revealed and repented of! Scripture says, "raise up a child in the way it should go". Well the world's governments, religions, educational systems and society have done a wonderful job of raising them up for the enemy! Pure lawlessness is actually romanticized. The outlaw is the hero in many books, movies and video games resulting in a lack of morals and deadened emotions. This has all culminated in mass murders, rapes, blatant occult activity, lawlessness in all arenas of life. I pray those that are born again and a part of the new species see the need to repent for themselves and to stand in the gap and pray for all mankind!

I Corinthians 11:31 explains,

31 For if we would judge ourselves, we would not be judged.

Are we not thankful for the Ten days of Awe and eternally grateful that at the next feast, the Day of Judgment we will have repented and because of the Lamb of God forgiven! For those that repent it is the feast of Atonement!

Let me explain. You see if sin is committed breaking God's law and Judgment Day comes upon us the offender would be found guilty!

Acts 17:30-31 says,

30 Truly, these times of ignorance God overlooked, but **now commands all men everywhere to repent**,

31 because **He has appointed a day on which He will judge the world in righteousness** by the **Man** (Christ) whom **He has ordained** (Day of Judgment).

He has given assurance of this to all by raising Him from the dead.”

(Meaning He prevailed over death, hell and the grave so that those that change and repent would not be destroyed in God's wrath with those found guilty.)

Think about it, without repentance and the Lord's mercy and forgiveness, how could any man survive the destruction of this world! He couldn't! But, Jesus paid for man's sin with His own blood sacrifice! The Creator of all things paid for the lives of His creation with His own life! Is this not the epitome of love?

I Timothy 2:5-6

5 For there is one God and one Mediator between God and men, the Man Christ Jesus,

6 who **gave Himself a ransom for all** (He died in our place, paid the price of sin for us), **to be testified in due time**, (When the enemy comes to accuse us we testify this truth. We therefore overcome by the blood of the Lamb and the word of our testimony.)

In other words God paid the debt owed to Him for man breaking the law with His own blood! He therefore becomes the equivalent of Noah's ark to carry His repented new species through His wrath, keeping them safe from the impending destruction soon to be loosed on earth.

Revelation 6:6

6 And **I heard a voice in the midst of the four living creatures saying**, “A **quart of wheat for a denarius**, and **three quarts of barley for a denarius** (there will be hardship and famine); and **do not harm the oil** (the anointed) **and the wine** (God's blood covenant people).”

Revelation 3:10 assures the obedient,

10 **Because** you have **kept My command** to **persevere**, I also will **keep you** from the **hour of trial** which shall **come upon the whole world**, to **test** those who **dwell on the earth**.

So redemption, restoration and freedom, a full Jubilee were all provided for

on the cross!

Titus 2:14 is one of my favorite scriptures.

14 who gave Himself for us, that He might redeem us from every lawless deed and purify for Himself His own special people (the new species), zealous for good works (God's works not ours as found in His rest).

More good news! As these children of God begin to appear all creation will be set free!

Romans 8:14, 21

14 For as many as are led by the Spirit of God, these are sons of God.

21 because the creation itself also will be delivered from the bondage of corruption into the glorious liberty of the children of God.

At the sound of the shofar there will be yet another facet of the Feast of Atonement, a worldwide Jubilee!!

Leviticus 25:9-10 explains Jubilee and prophesies the final worldwide event!

9 Then you shall cause the trumpet of the Jubilee to sound on the tenth day of the seventh month; on the Day of Atonement you shall make the trumpet to sound throughout all your land. (preach, teach, warn!)

10 And you shall consecrate the fiftieth year, and proclaim liberty throughout all the land to all its inhabitants. **It shall be a Jubilee for you;** and **each of you** shall **return to his possession** (be given back what the enemy has stolen), and **each of you shall return to his family** (be returned to God our rightful owner).

Finally the promises of God will be fulfilled! No more sickness, pain or sorrow!! No more death! Thank you Yeshua!! Oh how we love You!!

I Corinthians 15:51-54 explains,

51 Behold, I tell you a mystery: We shall not all sleep (or die), but we shall all be changed— (this is for the repented new species that have experienced all the Feasts)

52 in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed.

53 For this corruptible must put on incorruption, and this mortal must put on immortality.

54 So when this corruptible has put on incorruption, and this mortal has put on immortality, **then** shall be **brought to pass** the saying that is written:

“Death is swallowed up in victory.” (What a glorious future we have to look forward to!)

Our next wonderful spiritual meal to be enjoyed is the Feast of Tabernacles! The word Tabernacle means house, tent, palace. Our bodies are referred to as our tents in the Word, but did you know God's people are spoken of as His land, His tent, His house?

I Corinthians 3:9

9 For we are God's fellow workers; you are God's field, you are God's building.

I Peter 2:5 also speaks of this.

5 you also, as living stones, are being built up a spiritual house, a holy priesthood (this is His government), to offer up spiritual sacrifices acceptable to God through Jesus Christ (it is speaking of the prayer covering of God's government through sacrificial praise and prayer).

So we are His tent, His tabernacle, His Body. This tabernacle or house has a name. It is called the house of David or sometimes the tabernacle of David. Yeshua is in this house as a greater David a greater King to lead and guide His people.

Acts 15:16 speaks of this tabernacle.

16 'After this I will return (as the Holy Spirit at Pentecost) and will rebuild the tabernacle of David, which has fallen down (the old church failed miserably, especially its leadership); I will rebuild its ruins, and I will set it up; (Through those that feed on His truth!)

In closing, to experience the Feast of Tabernacles and be a part of His body, His wife, His house we must be a repented, born again living stone. One that is illuminated by God's knowledge to become a new species of man and experienced personally all of the feasts. Polished gems that through the knowledge served at the table of God have become perfected and united. Our body, our tent our mansion becomes morally cleaner and spiritually holier for Christ to completely occupy! This stone must bear fruit like that of its Father and love all creation with God and each other at the top of the list. Once again mankind will be in the image and likeness of God as in the beginning of man!! Happy Rosh Hashanah, Atonement and Tabernacles!! Oh by the way, Rosh Hashanah, Head of Days is also the new year on the civil calendar ... so, Happy New Year family of God!
