

THE MORNING STARS WILL SING

By Jacquelyn Fedor

As we get closer to the end, it becomes more apparent that God's people must be a part of the whole. By this I mean, they must be in sync, or brought back to their original order to be in harmony with the rest of the universe. Before Adam and Eve fell, our planet that we live on was in perfect harmony, but with the sin of Adam and Eve everything was out of balance. No longer was everything perfect, good.

Think about it, they spoke to angels, and talked to God Himself! What a privilege, what an honor! But they obviously did not see it that way, turned their back on the tree of Life and followed the tree of good and evil. No longer were they a part of the whole created by God. They became something separate as they followed Satan's thinking, were trained in his knowledge and taught to think for themselves based on his wisdom. Intellect came into being! We were always meant to have our own will, to do things in whatever way we wanted to do them, and the mind of Christ and His way of thinking was readily available if we chose. Thus, whatever we sought His wisdom for would be perfect, and the life we were meant to build would have been eternal! So the point I'm trying to make is, we need to get back there if we want to be restored, if we want to be the recipients of Revelation 21:3-4.

Revelation 21:3-4

3 And I heard a loud voice from heaven saying, “Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God.

4 And God will wipe away every tear from their eyes; there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away.”

To be one with the universe, and regain our proper place in God's creation, we must better understand the very things that Satan has so carefully separated us from. But, here is the good news!

Romans 8:29-30

29 For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn among many brethren.

30 Moreover whom He predestined, these He also called; whom He called, these He also justified; and whom He justified, these He also glorified.

So if we want to manifest our part in God's predestined plan, becoming a part of the Church Triumphant, the Church Glorious, we must uncover and learn about these things that Satan's kept hidden from us! Not only learn about them, but take them to heart and change accordingly!

For instance, we spoke in the previous blast about the world's music. How detrimental and damaging it has been to our bodies and minds, particularly our minds! We discussed how there's renewal, a reversal in the cosmic chorus. We have learned how all of creation has a song and through this music everything is maintained according to God's counsel, what He wanted for His creation. We were to be a part of this cosmic chorus! Therefore a whole new kind of praise was created in the people that God brought over from the seventh day to the eighth! The old music, the old hymns, the hymnals have been circumcised from His people. The praise is spontaneous and the Father's heart for restoration bursts forth through this end time people. A new heaven and a new earth is being sung into being through them. End time truth will go out through these songs, and the prophetic word brings new life to those that were formerly suppressed by Babylon and the old church! A new fire, and a brighter light explodes through their praise! How exciting is this! Also this kind of praise is compatible with the song sung by the rest of creation. This puts those that take part in this type of praise back into sync with the whole!

Another way Satan devised to divide God's people was to hide the truth of the feasts of God found in Leviticus 23. But we now know they have always been a part of God's predestined plan according to the story in the sky. For instance, in one cluster of stars alone we see four feasts! Let us take a look at this group of stars known as the Pleiades to see what I mean. As we look at

this asterism or cluster of stars we will see one of them means “the ripened grapes”, which depicts the end time harvest, the feast of Rosh Hashanah! While we are looking at Pleiades, we will also see the Feast of Atonement in the star called “the possessions of the Judge”. Since the feasts are so close together we will include the feast of Tabernacles, which we see plainly in the star named “village of booths”. There's another star that is called “a cluster of gems”. In the Bible we see that those that God holds close, those that He perfects and polishes He refers to as His jewels, His gems! As we gaze at this star, we see the next feast, Sh'mini Atzeret. Sh'mini Atzeret is the day after Tabernacles and those that the Master chooses to perfect and polish are invited to come to this eighth day feast. So not all people will be chosen to attend this feast because the Lord knows that they will not be able to stand the polishing, the perfecting, the changing that it will take to truly become His jewels, His gems. Sadly those that cannot stand the perfecting will remain out of sync, out of harmony and have no part in building the new heaven and new earth.

You see, in the beginning, before Adam and Eve fell, they were comfortable as a part of the whole, and had a specific place in the universe. Everything was originally created to interact with one another and compliment one another. All things created before man existed were in sync with God's universal law. The law kept everything harmonious and in sync with one another. This truth is reflected by the final feast, Simchat Torah, which

means “rejoicing in the law”!

When God created man, he too was in sync, in harmony and a part of the whole. It remained that way as Eve was brought into the picture, and as we see from Genesis, they were given the honor of being caretakers, having dominion over all of earth's creation. As children of God, little elohim, everything was perfect, good, as was the perfect garden home God placed them in. To remain in harmony and continue to be in sync with all the rest of the universe, they had one thing they had to be obedient to, one tree or creature they were not to have anything to do with. Almost a test if you will, to see if His children could be obedient, love Him enough to obey.

John 14:15

15 “If you love Me, keep My commandments.

They failed the test, fell out of sync, and were driven from the east side of their garden home, to never return. The flaming sword, the Word would forever keep them out because they chose the knowledge of the enemy, the lies of the anointed cherub, who himself had fallen from perfection. As we know, that cherub was Satan himself and he, through Adam and Eve, expanded this world that we live in today, and therefore everything is still out of sync!

Satan challenged God for supremacy, carried away by his own pride, arrogance, and victory over Adam and Eve. Father set a time, known only to Him, that would be allotted for the enemy to carry out his challenge.

Unfortunately everything that Adam and Eve had dominion over was forced to fall out of sync along with them. Why? In hope that man would see that his life and all he loved depended on the Godhead, that they could do nothing without Him. They had made a terrible choice! We all know how evil and wicked this world, its systems and people have become as a result of that mistake!

A new day is dawning however. Things are changing. The trumpet has been blown and truth released to shine a light to awaken that part of man that wants to know his Creator. Trumpets sounding the truth of God's Word are lighting the way for those stumbling in the darkness of this world. It is drawing them to the Father's table, showing them the way to the feasts found in Leviticus 23 as well as opening their understanding to see this truth in the stars.

As we all know, God created the universe and all that is in it. As vast and beautiful as it all is, He still wanted a family that would love Him, that He could relate to, and they could relate to Him! Adam and Eve were created in His likeness so His family could not only communicate with Him, but share

in His Kingdom. He visited them in the cool of the day on earth. This was His predestined plan, and guess what, this plan will still be fulfilled! He will one day not only visit with His family, He will dwell with them!

Satan created a world that was completely apart from God and it was here that Adam and Eve allowed themselves to be lured into. Through His Son however He provided a way for another generation of people to be created to replace them.

Psalm 102:18

18 This will be written for the **generation to come**, that **a people yet to be created** may praise the Lord.

He would let them be born over again through the death and resurrection of Yeshua.

Romans 6:5

5 For if we have been united together **in the likeness of His death**, certainly we also shall be **in the likeness of His resurrection**,

Out of this new species there have been ones that completely turned their back on Satan's world, have a total distaste for Satan's knowledge and have allowed the truth of God's Word to begin to shape them into the likeness of

His Son. These clamor for more insight on end time truth, crave God's knowledge in effort to know Him better. They have come to understand that it is also a part of God's predestined plan for Him to one day say, "enough is enough", and those of us that are loyal will be gathered into Christ, into God's Kingdom and Satan's world and all in it destroyed! The demise of Satan and his world has become the vision of the newly created people. They feel sorry for God's creation that has had to exist with a people that are puppets of Father's enemy. These take a stand against Satan's systems, and all that opposed the Kingdom of God through prayer and praise.

Although born again, this new species is still in Satan's world. However, as they attended the feasts and ate the truth from Father's table, line upon line, precept upon precept they changed, metamorphosed to a new species and slowly began to understand who and what they are. It became apparent that the earth had been given to man and had been taken over by a creature that saw himself equal or superior to their Father, their God! Understanding Matthew 11:12, the new generation fights back, for what is rightfully theirs. As the cross was better understood the new species is determined to manifest Christ's victory, act like what He had created them to be, little gods, children of the Most High, children of God!

Matthew 11:12

12 And from the days of John the Baptist until now the kingdom of heaven

suffers violence, and the violent take it by force.

But what we must remember, we want to always stay in the light of God, even when we battle. We never want to pursue the enemy into the darkness of the world, or we will be fighting him on his territory. Even though Yeshua overcame the world we are told to cut off from it. As we spread God's Word across the earth however, the light extends, and the enemy can now be driven from there. He hates the light of the Son! Speaking of the light of the Son, we are all looking forward to the fulfillment of Malachi 4:1-3.

Malachi 4:1-3

1 “For behold, the day is coming, burning like an oven, and all the proud, yes, all who do wickedly will be stubble. And the day which is coming shall burn them up,” says the Lord of hosts, “That will leave them neither root nor branch (the angel blood will be forever eradicated).

2 But to you who fear My name The Sun of Righteousness shall arise with healing in His wings; and you shall go out and grow fat like stall-fed calves.

3 You shall trample the wicked, for they shall be ashes under the soles of your feet on the day that I do this,” says the Lord of hosts. (He will do this through us in prayer and praise!)

Note that the word sun there is S-U-N.

Now think about **Genesis 1:3**

3 Then God said, “Let there be light”; and there was light.

Genesis 1:6

6 Then God said, “Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.”

Genesis 1:9

9 Then God said, “Let the waters under the heavens be gathered together into one place, and let the dry land appear”; and it was so.

Genesis 1:11

11 Then **God said**, “Let the earth bring forth grass, the herb that yields seed, and the fruit tree that yields fruit according to its kind, whose seed is in itself, on the earth”; and it was so.

Genesis 1:14

14 Then **God said**, “Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs and seasons, and for days and years;

Genesis 1:16-17

16 Then God made two great lights (the sun and moon): the greater light to

rule the day, and the lesser light to rule the night. He made the stars also.

17 God set them in the firmament of the heavens to give light on the earth,

Who was God talking to?

He was talking to His Son, Yeshua as we see in **Colossians 1:16-17**.

16 For by Him (Yeshua) all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him.

17 And He is before all things, and in Him all things consist.

Now let us look at **John 1:4**.

4 In Him (Yeshua) was life, and the life was the light of men.

You see from the light of the son of God came forth the light of the sun, and it is from the sun that the moon gets her light.

Now let us consider **John 14:20**

20 At that day you will know that I am in My Father, and you in Me, and I in you. (The Godhead is in us!)

Now let us look at **Colossians 1:27**.

27 To them God willed to make known what are the riches of the glory of this mystery among the Gentiles: which is Christ in you, the hope of glory.

So the Son of God is in us and as we read from Genesis, from Him comes the light of the sun! You see, as we gain more of the Word (Yeshua is the Word) of God, as we take in more knowledge, the greater the light grows within us! We become children of light, ones that fulfill Daniel 12:3.

Daniel 12:3

3 Those who are wise (we are only wise as we take in the knowledge of God) shall shine like the brightness of the firmament (the sun and moon), and those (the light bearers) who turn many to righteousness (spread the truth across the earth to fulfill Isaiah 11:9) like the stars (the stars God promised to Abraham) forever and ever.

Now let us read from **II Peter 1:19**.

19 And so we have the prophetic word confirmed, which you do well to heed as a light that shines in a dark place, until the day dawns (this is the dawning of the eighth day insight, new understanding released) and the morning star rises in your hearts;

The sun (the celestial sun) is known as the Morning Star.

Now let us turn to **Revelation 22:16**.

16 “I, Jesus, have sent My angel (or as Strong's says, messenger) to testify to you these things in the churches. I am the Root and the Offspring of David, the Bright and Morning Star.” (and it is Christ in us the hope of glory!)

Now remember in the scripture that we read from II Peter 1:19 that it says when the day dawns, which now we know is the eighth day, and the morning star rises in your heart (we now know that it's Yeshua) fulfilling the prophecy at Malachi 4, shedding light on what it means, the Sun of Righteousness rises with healing in His wings. We can expect healing, restoration! Exciting also is the fact that the eighth day children are the stars that God promised Abraham as part of their covenant. Since we were born through Christ, shaped into His image, we too are the stars of the new day, the stars of the dawning of the eighth day, the morning stars! On top of that, the morning stars sang creation into being, however there were only two then. One of those morning stars was heaven's chief musician, the anointed cherub, Satan. That is why even though he fell, he claimed to be the day star or morning star. With Yeshua's victory on the cross, he and those who follow him are but fallen stars, while those that are one with Yeshua are the morning stars that will sing in the new heaven and the new earth! There is a multitude of us, and remember, we were created to praise!

We can be seen in **Isaiah 61:4**.

4 And they shall **rebuild the old ruins**, they shall raise up the former desolations, and they shall **repair** the **ruined cities**, the **desolations of many generations**.

We will gather ourselves together, forming the body of Christ. Living stones God has used to create a tabernacle for the Son of David. We see heavenly proof of this tabernacle in Psalm 19:1-5.

Psalm 19:1-5

1 The heavens declare the glory of God; and the firmament shows His handiwork. (All truth is reflected in the heavens as proof for us to rely on.)

2 Day unto day utters speech, and night unto night reveals knowledge.

3 There is no speech nor language where their voice is not heard. (No matter how extensively Babylon preaches, her lies and false doctrines will be trampled upon by the new species and the irrefutable proof is in the heavens!)

4 Their line (a musical string as seen in the Strongs Concordance that connects to praise) has gone out through all the earth, and their words (sung by God's morning stars, His praisers as led by the Holy Spirit) to the end of the world. **In them** (the body of Christ as they praise) He has set a tabernacle for the sun (who is the Morning Star),

5 Which is like a bridegroom (Yeshua) coming out of his chamber (the constellation of Argo), and rejoices (praises) like a strong man to run its race. (And we win, in fact, because of Christ's cross we have already won.)

You see, as the stars and constellations manifest the predestined plan of God, the earth and Abraham's stars are a mirror image of that plan, making us one, making everything a part of the whole.

I know this is a lot to understand, and not easily comprehended because Satan has done everything in his power to feed us his knowledge that will keep us carnal, understanding the things of his world, making sense to our soul man. But as the light of the Son grows brighter within us, as end time truth is released, our spirit man will grow, take the lead, and we will finally be in the likeness of the Son!

In closing, the light that emits from Abraham's stars will bring God's knowledge, healing and restoration to the rest of creation. They are the light that shines from the top of God's mountain found in Hebrews 12. Listen on the wind, you will hear the praise of the morning stars as they begin to sing a new heaven and new earth into being! I pray you will be heard singing along with them!
